School readiness is not just about a child's age or being able to count or recite the alphabet.

For a smooth transition to 'Kindergarten' and to become happy, confident and successful learners *they need to have a strong grasp of the following skill sets*

Social Emotional & Independence Skills

- Separate from parents, make eye contact, Manage frustration and avoid tantrums, ask for and accept help, Wait patiently, do up lunchboxes, bags, clothes and more.

Fine Motor and Cognitive Skills

- Recognise their first name, draw simple shapes, Hold correct pencil grip and classify objects, retell a story, Attempt to solve problems independently and more.

Communication Skills

- engages in conversation, questions and story telling, jokes, rhymes and songs and will assert self with words and more,

Gross Motor Skills

- Move around confidently in many environments e.g. stairs, uneven ground
- Kick, Catch and throw a ball with a partner
- Play cooperatively for at least 30 minutes
- Understand spatial concepts eg up/down, next to
